

VASILIKI LYSANDROU
CURRICULUM VITAE

Education

- 2009 – 2014: *PhD*, University of Cyprus, Department of History and Archaeology, Postgraduate Program in Mediterranean Archaeology: From Prehistory to Late Antiquity. Thesis title: “Funerary Architecture during Hellenistic and Roman periods in Cyprus”.
- 2005 – 2007: *Scuola di Specializzazione*, in Restauro dei Monumenti, Università degli studi di Roma “La Sapienza”, Facoltà di Architettura ‘Valle Giulia’. Thesis title: “Sistemazione dell’ area archeologica della piazza ‘Palaion Dimarheion’, Nicosia Cyprus”
- 2004: Scuola Leonardo Da Vinci, Roma. Corso di Lingua e Cultura Italiana. Livello Superiore.
- 1998 – 2003: *Diploma (Ptychio)*, Faculty of Philosophy, School of History and Archaeology, Department of Archaeology, Aristotle University of Thessaloniki

Additional Training/Seminars Attendance

Archaeological Photography – Drawing – Participation in Seminar regarding products and methods of Architectural Restoration - Conservation (ASS.I.R.C.CO, Rome 2005) - Participation in Seminar regarding Mosaic Conservation (ICCM, Palermo 2008) – Workshop participation for Wall Painting Conservation (Roma 2006) - Received training on the conservation of Mosaic, Stones and Icons (Conservation Laboratories of the Museum of Kykkos, Cyprus 2007-2009 - Training on the use of GIS software and analytical tools and their application to archaeology (Department of Civil Engineers and Geoinformatic of the Cyprus University of Technology) - One day training on Joomla, University of Cyprus (2014) - Workshop LiDar tools, (Second International Conference on Remote Sensing and Geoinformation 2014, 9-14 April 2014, Paphos, Cyprus) (04/2014), etc.

Additional Qualifications

- Languages
- Greek - native
 - Italian – full professional proficiency
 - English – full professional proficiency
 - French – limited working proficiency
 - Romanian – learning
 - Ancient Greek – professional working proficiency
 - Latin – professional working proficiency
- Computing skills/Software
- Microsoft Office (Word, Excel, Power Point, Access), Internet Explorer, Joomla AutoCAD, ArcGIS, Adobe Photoshop, Photo-Modeler, etc.
- Scientific Instruments
- Topographic equipment (level, GPS, Total Station)

Awards

29/01/2014 Awarded with the prize of “Greek Culture” by the University of Cyprus for the best performance in the last year course during PhD studies. The award concerned candidates with best knowledge of issues related to history, archaeology and generally culture of Greek Civilization.

Professional Membership

2012 - 2015

- Elected Secretary of the Board of Directors of the Association of Cypriot Archaeologists

For various years
Member of:

- Association of Cypriot Archaeologists (ACA), International Council of Monuments and Sites (ICOMOS), International Committee for the Conservation of Mosaics (ICCM), Forum Italiano Calce, Society of Cypriot Studies, Earth Observation in Cultural heritage Documentation Task Group 5 CIPA etc.

Teaching

- Summer semester 2017-17: Teaching Fellow (Special Scientist), University of Cyprus, Department of History and Archaeology. Course: Classical Archaeology, Topic: Burial customs of Hellenistic and Roman Cyprus (ARCH 265)
- Winter semester 2015-16: Teaching Fellow (Special Scientist), University of Cyprus, Department of History and Archaeology. Course: Classical Archaeology, Topic: Burial customs of Hellenistic and Roman Cyprus (ARCH 265)
- Summer semester 2016-17: Teaching Fellow (Special Scientist), Cyprus University of Technology, Department of Civil Engineering and Geomatics. Course: Monuments survey (GEO436)
- June – July 2015: Cyprus University of Technology, Department of Civil Engineering and Geomatics, training course for the archaeologists of the Committee of Missing Persons in Cyprus. Topic: “Basic Theory and Software Application Geodesy-GIS – Remote Sensing – UAV”
- March 2012: Invited lecturer, University of Cyprus, Department of History and Archaeology. Course: Classical Archaeology (ARCH 124). Topics: “Introduction to Restoration Science. Theory and practice” and “Introduction to Preventive Conservation”

Current position

01/2017 – 12/2018: Postdoc Researcher, Department of History and Archaeology, Archaeological Research Unit
Project title: «Μια σύγχρονη προσέγγιση της αρχαίας νεκρόπολης της Νέας Πάφου: Εφαρμογές Γεωγραφικών Συστημάτων Πληροφοριών (GIS) στην Αρχαιολογία» - SPACE

Professional Experience

- 04/2014 – 12/2016: Postdoc Researcher at the Department of Civil Engineering and Geoinformatics of Cyprus University of Technology.
- 07/2013 – 12/2014: Part time Archaeological Officer, Museum of Kykkos, Conservation Laboratories, Cyprus.
- 09/2007 – 06/2013: Full time Archaeological Officer, Museum of Kykkos, Conservation Laboratories, Cyprus.
- 06/2007 – 09/2007: Archaeologist at the Committee on Missing Persons, Cyprus.
- 10/2003 – 02/2004: Part time Archaeological Officer, Museum of Kykkos, Cyprus.
- 09/2002 – 09/2003: Archaeologist at the excavation of “Palaion Dimarheion”, Nicosia, Department of Antiquities of Cyprus

Research - Professional activity

- 09/2015 – 04/2015: Associate Researcher at the Department of Civil Engineering and Geoinformatics of Cyprus University of Technology in the frame of the H2020 Twinning funded scientific program: “ATHENA: Remote Sensing Science Center for Cultural Heritage”, (€972841.25).
- 04/2015 – Today: Associate Researcher at the Department of Civil Engineering and Geoinformatics of Cyprus University of Technology in the frame of the co-operation with the Committee on Missing Persons in Cyprus (CMP), “*Forensic Archaeology*”.
- 05/2015 – Today: Identifying slag at Kataliondas--Kourvellos, using hyperspectral imaging: A short-term, non-invasive Swiss-Cypriot field research project presented to the Cyprus Department of Antiquities, Coordinator Dr. Julien Beck, University of Geneva with Switzerland’s Ecole polytechnique fédérale de Lausanne (EPFL).
- 06/2015 – Today: Associate Researcher at the Department of Civil Engineering and Geoinformatics of Cyprus University of Technology in the frame of the Heritage Plus Joint Call funded scientific program: “*Protection of European cultural heritage from geo - hazards*”, (€790 600).
- 06/2015 – Today: Associate Researcher at the Department of Civil Engineering and Geoinformatics of Cyprus University of Technology in the frame of the Heritage Plus Joint Call funded scientific program: “*Cultural Landscape risk Identification, Management and Assessment*”, (€774 944).
- 04/2015 – 05/2015 Associate Researcher at the Department of Civil Engineering and Geoinformatics of Cyprus University of Technology in the frame of the University of Cyprus program: *Detection of buried archaeological remains using remote sensing techniques within the city walls of Nicosia* (€3 500).
- 03/2015 – Today: Associate Researcher at the Department of Civil Engineering and Geoinformatics of Cyprus University of Technology in the frame of the “*Elitarion*” member of an interdisciplinary research team for digital recording, documentation and research of historical monuments of the Archbishop of Limassol.

- 07/2014 – Today: Associate Researcher at the Department of Civil Engineering and Geoinformatics of Cyprus University of Technology in the frame of the INTRERREG IV funded scientific program: “*Marine Spatial Planning*”, (€3 500 000).
- 04/2014 – 06/2014: Associate Researcher at the Department of Civil Engineering and Geoinformatics of Cyprus University of Technology in the field of “Study and Mapping of Archaeological Sites and Monuments”.
- 05/2012 – 05/2014: Principal Researcher for the Kykkos Museum in the framework programme for Research, Technological Development and Innovation 2009-2010 of the Cyprus Promotion Research Foundation. Project title: “Managing Cultural Heritage Sites through Space and ground Technologies using Geographical Information Systems: A Pilot application at the archaeological sites of Paphos”, (Coordinator: Department of Civil Engineering and Geoinformatics of Cyprus University of Technology / Total budget: €119 566).
- 06/2013 – 07/2013: Researcher at the Department of Civil Engineering and Geoinformatics of Cyprus University of Technology in the field of “Detecting buried archaeological residues” in the framework programme for Research, Technological Development and Innovation 2009-2010 of the Cyprus Promotion Research Foundation. Project title: “Developing of a low altitude airborne remote sensing system”, (Coordinator: Department of Civil Engineering and Geoinformatics of Cyprus University of Technology).

Archaeological Research Projects

Short/long term archaeological projects / field surveys-excavations

- 05/2015-10/2015 Assistant Director Field archaeologist of the excavation at Akaki village buffer zone (Coordinator: Department of Antiquities of Cyprus / Excavation Director Dr. F. Hatzichristofi).
- June-July 2015 Medieval Castle of Kato Paphos. Survey of the state of preservation of the monument. Mapping and documenting the monument’s degradation, description of deterioration impact on the monument (Department of Antiquities/Aristotelian University of Thessaloniki).
- 03/2015-04/2015 Detection of buried archaeological remains using remote sensing techniques within the city walls of Nicosia; Geophysical prospection and UAV documentation ()
- 11/2014– Today: Investigation and mapping of the *Agios Sozomenos* archaeological site (Late Bronze Age), Department of Antiquities, (Coordinator: Department of Antiquities of Cyprus / responsible archaeologist Dr. D. Pillides).
- 05/2014 – Today: Consortium member of the “*Kourion Urban Space Project*”, Institute of Archaeology, Southwestern Baptist Theological Seminary (principal investigator Thomas Davis).
- 2009 - 2012: Excavation program in *Avli*, Pano Pyrgos Tillyrias. Kykkos Museum. Coordinator: Mr. S. Perdikes – Excavation assistant director: Dr. V. Lysandrou.
- 01/2015: Documentation of ancient tombs, site *Mnimata ton Ellinon*, Sotera village, Famagusta, (coordinator: Department of Antiquities of Cyprus).

- 11/2014: Mapping of ancient necropolis and tombs, site *Mnimata ton Ellinon*, Sotera village, Famagusta, (coordinator: Department of Antiquities of Cyprus).
- 09/2014-10/2014 Research Associate for the website (editing, organise, update) of the research programme ARIEL (*Archaeological Investigation of the Extra-Urban Landscape in Eastern Mediterranean centres: a case-study at Palaepaphos*).
- 2007-2014: Management of Kykkos Museum Ancient Collection and Coin Collection and of the relative databases (registration, description, study and chronology of artifacts, photographic documentation, environmental control of the items exposed in the Museum's collection).
- 2007-2014: Management of ancient monuments within the Episcopical area of Kykkos and Tilliria.
- 10/2009: Archaeological survey in the vicinity of *Mansura region Roman* – Identifying and mapping Hellenistic and Roman Tombs, Museum Kykkos Monastery.
- 2009-2010: Identify, record, study, description and photographic documentation of churches and chapels of the 45 village of the Episcopal Region of Tamasos and Orini. Publication of results in a monograph (v. publications).
- 2008-2009: Architectural Documentation of a Medieval Tower in Kato Pyrgos Tillirias, Cyprus. Historical/archival study, preparation of conservation / valorisation and intervention proposals of the monument and its environment and synthesis of preliminary plans of monument's landscape.
- October 2008: Director Assistant for the excavation at "Ayli" site, Pano Pyrgos Tyllirias, Cyprus.
- 2007-2009: European University of Cyprus, cooperation for digitization part of the collection of ancient artifacts of Kykkos Museum.
- 2007: Study, survey and preliminary conservation works of the ruined chapel of Santa Barbara at Kampos village, Cyprus (Kykkos Museum).
- 05/2006: Archaeologist at the excavation at Colosseo (Roma) under the Specialization School in Restoration of Monuments of the Architecture Faculty "Valle Giulia" of the University of Rome "La Sapienza".
- 09/2005: Conservation work at Castello di Sermoneta, under the Specialization School in Restoration of Monuments of the Architecture Faculty "Valle Giulia" of the University of Rome "La Sapienza", Italy (in the framework of series of lessons entitle "Technology of the Materials and Structural Problems of Monuments")
- 08/2002: Excavation at the prehistoric inhabitation "Arhontiko" at Giannitsa under "Aristotelian" University of Thessalonica, Greece

- 07/2002: Excavation of “Palaion Dimarheion”, Nicosia, Department of Antiquities of Cyprus
- Summer period 2001: Excavation at “Potamia - Ayios Sozomenos” (Cyprus) University of Provence and University of Cyprus, under the direction of the French Archeological School of Athens
- Winter period 2000: Excavation at “Agora” Pellas, “Aristotelian” University of Thessalonica, Greece
- Summer period 2000: Excavation at “Agora” Pellas, “Aristotelian” University of Thessalonica, Greece

Publications

Books:

1. **Lysandrou V.**, *Monuments of metropolitan region of Tamasos and Oreini. Churches and Chapels*, Nicosia 2011.

Editor in books:

1. **Lysandrou V.**, *Restoration of Ancient Monuments and interventions in Archaeological Sites of Greece and Cyprus*, [Proceedings of scientific meeting, 24 October 2009, Nicosia Cyprus], Nicosia 2010.

Editor in Journals:

1. Journal of Archaeological Sciences: Reports, Special section on “Scientific Trends for Cultural Heritage”, Guest Edited by Dr. Athos Agapiou, Dr. Vasiliki Lysandrou, Prof. Diofantos Hadjimitsis, Volume 14, Pages 715-799 (August 2017).
2. Guest Editor (along with A. Agapiou and D. Hadjimitsis) in *Journal of Archaeological Science: Reports*, Special Issue on “Scientific trends for Cultural Heritage: from identification and understanding to protection”.
3. Guest Editor (along with A. Agapiou and D. Hadjimitsis) in MDPI Remote Sensing Journal, Special Issue on “Advances in Remote Sensing for Archaeological Heritage”.

Chapters in books:

1. **Lysandrou V.**, “I fiori e la vegetazione”, Studi Giorgioneschi, *Annuario per l'arte del Rinascimento*, Roma 2007.
2. **Lysandrou V.**, “Churches and chapels of metropolitan region of Tamasos and Oreini” («Ναοί και ξωκλήσια της μητροπολιτικής περιφέρειας Ταμασού και Ορεινής»), in *Holy Metropolis of Tamasos and Oreini. History-Monuments-Art (Ιερά Μητρόπολις Ταμασού και Ορεινής. Ιστορία-Μνημεία-Τέχνη)*, Nicosia 2012, pp. 125-140.
3. **Lysandrou V.**, Section “Ancient Cyprus, art” («Αρχαία Κύπρος, τέχνη») in *Great Christian Encyclopedia (Μεγάλη Χριστιανική Εγκυκλοπαίδεια)*, vol. 7, Athens 2014.

Papers in peer review journals:

2. MDPI Remote Sensing and Geosciences for Archaeology
3. International Journal of Digital Earth
4. International Journal of Archaeology & Anthropology: Open Access

Member of Organizing / Scientific Committees.

1. Member of the Organizing & Scientific Committee of the Special Session: 'Sensing the past: remote monitoring for archaeology and cultural heritage' 7 April 2016, Paphos, Cyprus, within the 'Fourth International Conference on Remote Sensing and Geoinformation of Environment'.
2. Member of the Scientific Committee of the 'Fourth International Conference on Remote Sensing and Geoinformation of Environment', 4-8 April 2016, Paphos, Cyprus.
3. Member of the Organizing Committee of the 'Third International Conference on Remote Sensing and Geoinformation of Environment', 16-19 March 2015, Paphos, Cyprus.
4. Co-organized II National Conference on "Tilliria: Memory, History and Archaeology" 28-29 April 2012, Kato Pyrgos Tillirias, Cyprus (Member of Organizing Committee).
5. Co-organized I National Conference on "Tilliria: Memory, History and Archaeology" 4-5 April 2009, Kato Pyrgos Tillirias, Cyprus (Member of Organizing Committee).
6. Co-organize Scientific Meeting on "Restoration of Ancient Monuments and Interventions on Archaeological Site in Greece and Cyprus", 24 October 2009, Nicosia, Cyprus.

Scientific/Research Interests

Architecture of archaeology and archaeology of architecture (analysis of standing archaeological remains).

Funerary architecture and archaeology of death.

Survey, recording, analysis, preservation/valorization of built heritage.

Preventive conservation and risk identification of monuments/sites (Natural and Anthropogenic hazards).

Remote Sensing Archaeology (satellite and terrestrial Remote Sensing technologies -Ground Spectroscopy, Geographic Information Systems-G.I.S.) and Architectural Documentation (3D digital documentation of monuments-sites-ancient artifacts) intended for archaeological research, analysis and protection and study of Cultural Heritage.
